PRESS RELEASE

January 26, 2005, Düsseldorf

Ingot sawing and packing plant for Kurri Kurr Aluminium put into operation

Hertwich Engineering, Austria, has successfully completed the commissioning of the ingot sawing and packing plant supplied to Hydro Aluminium Kurri Kurr, Australia.

The supply scope comprises fully automated sawing, marking, stacking, banding and weighing equipment. The order also includes a stacking crane and stack store for the completed bundles.

Hertwich Engineering GmbH forms part of the Tube, Long Product and Forging Technology Business Area of the SMS group.
